## TRAVEL & PARKING

**By Car** – Please make sure your vehicles are ready for winter conditions, the cold is hard on batteries, fuel and cooling systems. It is best to have antifreeze rated for at least -40°C. If you have a diesel vehicle make sure you have added anti-gel additives to your tank. It's always a good idea to bring a spare tire and chains if you have them.

**By ROVENT Bus** – We are looking into the feasibility of hiring one(1) bus (monitor the Rovent website, facebook and twitter for updates).

**Proposed Route:** Starting at the Tsawwassen Ferry Terminal with stops at BCIT in Burnaby and the Colossus movie theatre in Langley.

**Cost:** \$20 round trip (due upon registration).

**Gear:** Each rider is allowed one small bag; you must still make your own arrangements to get gear to camp.

**Registration Deadline:** TBA

**Register/Questions:** Email [info@rovent.ca](mailto:info@rovent.ca)

**Parking** – On-site space is extremely limited, so please limit the number of vehicles you bring.

- **Utility/Cargo Trailers** – If you bring one you will be required to park it at the overflow parking after unloading your gear. *Please unload quickly!*
- **RV's/Campers** – Not permitted.
- **In/Out Privileges** – Vehicles will be directed to a parking spot for the entire weekend and will not be able to leave until Monday. We have access to an overflow parking lot nearby (1km from camp). A shuttle can be arranged on Friday and Monday. You must unload all your belongings on-site before parking in the overflow lot. Only vehicles required for emergency purposes will be guaranteed parking with access to the highway.

## REGISTRATION INFO

Forms to complete registration attached at the end of this package.

  - Register **AFTER** January 3<sup>th</sup>, 2023 **\$40.00 per person**
  - Advisors/Leaders **\$30.00 per person**
  - Daytime (non-overnight) visitors must register on-site **\$10.00 per person**

Note: 4<sup>th</sup> year Scouts (Troop) are welcome but must attend with a Venturer Company.

**Be Fully Registered** – All participants on site **MUST** be registered with either *Scouts Canada* or *Girl Guides of Canada* and must be registered for the camp; other members of WOSM are welcome but must produce evidence of valid registration.

**Emergency Contacts** – Please ensure that each participant's **Emergency Contact Form** is **FULLY** completed.

**Personal Health** – Advisors are responsible for their youth and **MUST** ensure that a copy of the health forms for each participant is on-site. Our on-site medical support (MAST) has asked that all participants (adults and youth) carry a copy of their **Personal Health Form** on their person (zip-lock bags will keep it dry); this greatly assists in the event of an emergency.

**Rules & Regulations** – You must adhere to these rules or risk non-admittance or removal:

1. **EVERYONE ON-SITE MUST APPEAR ON A PROOF OF REGISTRATION.**
2. **BRING THE GROUP/SECTION REGISTRATION LIST PRINTED FROM "MYSCOUTS" or "IMIS". THIS WILL BE CHECKED. You can mail in with registration if preferred.**
3. **YOU MUST FOLLOW THE RULES & REGULATIONS (read section below).**

## WHAT TO EXPECT

You'll have a great time... if you're prepared. Please note this is an on-site camp. This means you will not be able to leave to go skiing or for other activities. Don't worry though, our on-site program will not disappoint. There will be many activities based on the camp theme to keep you busy. Look in this package for camp event and Scavenger hunt listings.

The thing to remember is that you are camping in the mountains in winter so be prepared for all kinds of weather from sunny and hot to cold and wet. Also keep in mind that there are no amenities of any kind at the campsite. You must bring everything with you and take it all out again when you leave. That includes your gear, firewood, food and WATER... there is **NO WATER** available at the site.

**BE PREPARED**, we shouldn't even need to say it, right?!

For being so **AWESOME** and reading through this entire package and understanding our needs (and we have plenty), we would like to treat you to a pancake breakfast on *Monday morning from 8-10AM*.

---

## VOLUNTEER - GET BEHIND THE SCENES AND IN AS NEW CAMP STAFF!

**WANT TO HELP OUT?!** – Rovent is brought to you by a hardworking and dedicated group of volunteers. The camp staff is always looking for new ideas and people to help. So if you are so inclined, contact us at: [info@rovent.ca](mailto:info@rovent.ca). Come talk to us at camp as well!

---

## COLD TALK

**Join Us** – Cold Talk is aimed at groups or individuals who have never attended Rovent or who would like a refresher on winter camping tips and safety precautions. You're welcome to join us even if you've attended in the past – we're here to answer your questions! We'll go over the do's and don'ts of winter camping, covering topics such as clothing, equipment, food, shelter and hypothermia.

**Host Your Own** – If you're unable to attend online on the 3rd or would like to host your own for your group/youth. Information including a PowerPoint is available by request or on the Rovent website.

**Date & Time:** Wednesday, January 3<sup>th</sup>, 2023 | Time TBD.

**Location:** **Online via ZOOM**  
(keep an eye on the website for links and directions closer to the date).

**Parking:** There are no IN/OUT privileges. Once parked you will not be able to move your vehicle until after the closing ceremony. You can make special arrangements for parking if you need an early departure (there is an off-site lot where trailers are stored); advise camp staff upon arrival.

**In Case of a Camp-wide Emergency:**

In the event of a camp wide emergency there will be an announcement over the PA system or 3 loud horn blasts, all participants are to meet at the parking lot / HQ area. In the event of an evacuation, advisors must account for all their participants.

## **RULES & REGULATIONS**

(Also see Risk Management)

1. All participants must:
  - Be registered with Scouts Canada, Girl Guides Canada, or another WOSM organization and carry proof of registration.
  - Troop aged youth (4<sup>th</sup> years) coming to camp must be registered and camp with a Venturer Company.
  - Be registered for the camp.
  - Carry a copy of their **Physical Fitness Certificate/Personal Health Form** on their person at all times while at camp.
2. When you arrive at Rovent you will be checked in and each vehicle directed to a parking spot for the weekend. *Note: This is the time to tell staff if you need to leave prior to Monday so you can be parked at the overflow lot (a shuttle will be available).*
3. This is a Scouting event which means:
  - No alcoholic beverages or marijuana,
  - No illegal narcotics,
  - No weapons,

*There is a zero tolerance for this, and anyone found abusing this rule will be asked to leave immediately.*
4. Prescription drugs must be labelled.
5. You will be asked to leave if you are found creating a situation that puts others at risk.
6. No camping in out-of-boundary areas.
7. No generators unless approved by staff prior to camp.
8. No sleeping in vehicles unless prearranged with staff (vehicles = refrigerators).
9. Other things NOT to bring to camp:
  - Hay – BC Parks does not allow it.
  - Pets – Rovent is no place for them.
  - Fireworks, firecrackers, flares or other explosives.
10. Some more common-sense guidelines are as follows:
  - The hill above the parking lot is off limits. It is prone to avalanche.
  - Over the ridge facing the highway is also off limits.
11. A note on sledding or snowboarding: don't go down the back hill on the far side of the field. If you negotiate the trees, there is still the river at the bottom.
12. Throwing snowballs is OK, just do it in the field and not among the campsites.

13. We practice no-trace camping as much as possible, so you must carry out ALL your garbage, firewood and building materials. This is a wilderness area and we try to keep it that way. BC Parks has specifically requested this reminder!
  14. You must break down the sides of your holes and fill them in as best you can; if you dig in, cover it up.
  15. Vehicles can only be parked in the main parking lot as directed by staff. You will be given a card with your Group name on arrival, this should be placed on your dash.
